INDEPENDENT AUDITOR'S REPORT

To

The Members of

M/s. ELDORADO INVESTMENTS COMPANY PRIVATE LIMITED

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **M/s. ELDORADO INVESTMENTS COMPANY PRIVATE LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that day, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the India Accounting Standards prescribed under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, and its **Loss**, total comprehensive income, changes in equity and its Cash Flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SA) specified under Section 143 (10) of the Act. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report.

We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics.

We believe that the audit evidence we have obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Management's Responsibilities for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act, with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the IND AS and other accounting principles generally accepted in India, including the accounting standards specified under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We are also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and

appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced.

We consider quantitative materiality and qualitative factors in

- (i) planning the scope of our audit work and in evaluating the results of our work; and
- (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Information other than the Financial Statements and Auditors' Report thereon.

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management discussion and analysis, Board's Report including Annexures to Board's Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information we are required to report that fact. We have nothing to report in this regard.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure "A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, based on our audit, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with books of account.
 - (d) In our opinion, the aforesaid financial statements comply with the IND AS specified under Section 133 of the Act.
 - (e) On the basis of the written representations received from the directors as on March 31, 2024, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024, from being appointed as a director in terms of Section 164 (2) of the Act.

(f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

(g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended, the said provision is not applicable to the Company.

(h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us.

i. The Company does not have any pending litigations as at year end which would impact its financial position.

ii. The Company did not have any long-term contracts including derivative contracts as at the yearend for which there were any material foreseeable losses; and

iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

iv. (a) The Management has represented that, to the best of its knowledge and belief, as disclosed in the notes to the accounts, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(b) The management has represented, that, to the best of its knowledge and belief, as disclosed in the notes to the accounts, no funds (which are material either individually or in the aggregate) have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(c) Based on such audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to their notice that has caused them to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

(v) The Company has not declared or paid any dividend during the year and has not proposed final dividend for the year.

(vi) Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended 31.03.2024, which has a feature of recording audit trail (Edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software's. Further, during the course of our audit, we did not come across any instance of the audit trail features being tampered with.

ANNEXURE "A"

TO THE INDEPENDENT AUDITOR'S REPORT

Referred to in paragraph 1 under 'Report on other legal and regulatory requirements' section of our report to the members of

M/s. **ELDORADO INVESTMENTS COMPANY PRIVATE LIMITED** of even date

In our Opinion and according to the information and explanations given to us and on the basis of our verification of the records of the Company, we report that.

(i) In respect of the Company's Property, Plant & Equipment, and Intangible Assets:

(a) The Company does not have any Property, Plant & Equipment, & Intangible Assets, hence clauses 3(i)(a), (b) & (d) of the Order are not applicable to the Company.

(c) Based on our examination, registered sale deed/ transfer deed/ conveyance deed provided to us, we report that, title deed of immovable property, disclosed in the financial statements included under Non-Current Investment is held in the name of the Company as at the balance date.

(e) No proceedings have been initiated during the year, or are pending against the company as at March 31, 2024, for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made there under, hence, Clause 3(i)(e) of the Order is not applicable to the Company.

(ii) The Company does not have any inventory, hence reporting under clause 3(ii) of the Order is not applicable.

(iii) The company has not made any investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties during the year, hence reporting under clause 3(iii)(a) to (f) of the Order is not applicable.

(iv) During the year, the Company has not granted any loans or provided any guarantees or given any security or made any investments to which the provisions of Section 185 and 186 of the Act are applicable. Accordingly, clause 3(iv) of the Order is not applicable.

(v) The Company has not accepted any deposits during the year and accordingly the clause 3(v) of the Order is not applicable.

=====

(vi) The Central Government of India has not prescribed the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the activities of the company and accordingly clause 3(vi) of the order is not applicable.

(vii) In respect of statutory dues:

a. The amounts deducted/ accrued in the books of account in respect of undisputed statutory dues including Provident Fund, Employees' State Insurance, Income-Tax, Goods and Service Tax and other material statutory dues have been generally regularly deposited during the year by the Company with the appropriate authorities.

No undisputed amounts payable in respect of above referred statutory dues were in arrears as at March 31, 2024 for a period of more than six months from the date they became payable.

b. There are no statutory dues as referred in sub clause (a) have not been deposited on account of any dispute.

(viii) There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).

(ix) The Company has no outstanding dues in the nature of loans or borrowings to any financial institutions or banks or any government, except unsecured borrowings from corporate during the year.

(a) Since the loan is payable on demand, the company has not defaulted in repayment of loans including the payment of interest thereon to Lender.

(b) The company has not been declared as wilful defaulter by the Lender.

(c) The loans were applied for the purpose for which the loans were obtained

(d) The funds raised have been utilised for the short-term purposes.

(e) The company has not taken funds from entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.

ANNEXURE – B
TO THE INDEPENDENT AUDITOR’S REPORT

(referred to in paragraph 2(f) under ‘Report on other Legal and Regulatory Requirements section of our report to the Members of M/s. ELDORADO INVESTMENTS COMPANY PRIVATE LIMITED of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **M/s. ELDORADO INVESTMENTS COMPANY PRIVATE LIMITED** (“the Company”), as of March 31, 2024, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Management of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (“Guidance Note”) issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to companies’ policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility:

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

VASUDEV PAI & CO.

CHARTERED ACCOUNTANT

S-401, South Block, Manipal Centre, 47, Dickenson Road, Bangalore - 560042

Ph. 080 25581163/ 25092099, Mob: +91 9886363075, Email: tvpai13@yahoo.com

=====

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement in the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that –

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company.
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of the Management and Directors of the Company; and
3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

=====

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2024, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Notes forming part of the standalone financial statements for the year ended March 31, 2024

Accounting Policies

1 Corporate Information

Eldorado Investments Company Private Limited was incorporated as a private limited company under the Companies Act. The Company is a subsidiary of Maha Rashtra Apex Corporation Limited and is engaged in the business in diverse areas such as dealing in Investments, real estate and other related services etc.

2 Significant Accounting Policies

2.1 Statement of compliance

These standalone financial statements ('the financial statement') have been prepared in accordance with Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India.

2.2 Basis of Preparation and Presentation

These standalone financial statements are prepared in accordance with Indian Accounting Standard 34 (Ind AS 34), under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values. Further deferred benefit plans and plan assets are measured at fair value at the end of the each reporting period as explained in the accounting policies below:

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. The fair value measurement is based on the presumption that the transactions to sell the asset or transfer the liability takes place either in the principle market for the asset or liability, or in the absence of principle market, in the most advantageous market for the asset or liability. The principal or the most advantageous market must be accessible by the Company. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability and the assumptions the market participants would consider when pricing the asset or liability at the measurement date, assuming that market participants act in their best economic interest. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs. Fair value for measurement and/ or disclosure purposes in these financial statements is determined on such a basis, except for measurements that have some similarities to fair value but are not fair value, such as net realizable value in Ind AS 2 or value in use in Ind AS 36.

In addition, for financial reporting purposes, fair value measurements are categorized into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;

Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and

Level 3 inputs are unobservable inputs for the asset or liability.

Notes forming part of the standalone financial statements for the year ended March 31, 2024

Accounting Policies

1 Corporate Information

2.3 Use of Estimates and Judgement

In preparation of these financial statements in conformity with the recognition and measurement principles of Ind AS, management of the Company has made estimates, judgements and assumptions that affect the application of accounting policies and reported amounts of assets, liabilities, income, expenses and disclosures relating to contingent liabilities as at the date of the financial statements. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized prospectively, judgements are made in applying accounting policies that have the most significant effects on the amounts recognised in the financial statements. Assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment are reviewed on an ongoing basis.

Key source of estimation of uncertainty at the date of the financial statements, which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year in respect of percentage of completion of contracts and recognition of probable loss, useful lives of property, plant and equipment, provision for income tax and valuation of deferred tax assets/ liabilities, provision for warranty and other provisions and contingent liabilities.

Useful lives of Property, Plant and Equipment

The Company reviews the useful life of property, plant and equipment at the end of each reporting period. This reassessment may result in change in depreciation expense prospectively.

Provisions and Contingent Liabilities

A provision is recognized when the Company has a present obligation arising out of past events and it is probable that an outflow of economic resources would be required to settle the obligation and in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits and compensated absences) are not discounted to its present value and are determined based on best estimates required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date adjusted to reflect the current best estimates. Contingent liabilities are not recognized in the financial statements but are disclosed appropriately. A contingent asset is neither recognised nor disclosed in the financial statements.

2.4 Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when in the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of Govt. Revenue is reduced for estimated customer returns, rebates and other similar allowances.

Other income

Rental income- Revenue from rental is recognised on pro-rata basis over the period of the contract.

Interest income- Interest Income is recognised and accounted on the basis of the effective Interest rate method.

Dividend Income- Dividend income is accounted for when the right to receive is established.

2.5 Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax. Current and deferred tax are recognised in the statement of profit and loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from ' Profit before tax ' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years (Temporary Differences) and items that are never taxable or deductible (Permanent Differences). The company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities.

1 Corporate Information

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets include Minimum Alternate Tax ("MAT") paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set-off against future tax liability. Accordingly, MAT is recognised as deferred tax asset in the Balance sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with the asset will be realized.

2.6 Property, Plant and Equipment

Property, plant and equipment are stated at costs less accumulated depreciation (other than freehold land) and impairment loss, if any.

The cost includes purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses and interest on borrowings attributable to acquisition of qualifying fixed assets up to the date the asset is ready for its intended use. Subsequent expenditure on fixed assets after its purchase / completion is capitalized only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Lease rentals and premium for lease hold are amortized over the primary lease period.

Depreciation is provided for property, plant and equipment on the straight-line method over the estimated useful life from the date the assets are ready for intended use. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sale proceeds and the carrying amount of the asset and is recognised in profit or loss.

2.7 Intangible assets

Intangible assets purchased are measured at cost as of the date of acquisition, as applicable, less accumulated amortization and accumulated impairment, if any.

Intangible assets are amortized on a straight line basis over their estimated useful lives from the date that they are available for use.

Notes forming part of the standalone financial statements for the year ended March 31, 2024

Accounting Policies

1 Corporate Information

The estimated useful lives of the intangible assets and the amortization period are reviewed at the end of each financial year and the amortization period is revised to reflect the changed pattern, if any.

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gain or loss arising from Derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in profit or loss when the asset is derecognised/disposed.

2.8 Impairment

Financial assets (other than a fair value)

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Company recognizes lifetime expected losses for all contract assets and/ or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12 month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

non-financial assets

Property, plant and equipment and intangible assets with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs. If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognised in the statement of profit and loss.

2.9 Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

2.10 Financial Instruments

Financial assets and liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through statement of profit and loss) are added to or deducted from the fair value measured on initial recognition of financial

A) Financial Assets

Cash and Cash Equivalents

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

1 Corporate Information

Financial Assets at Amortized Cost

Financial assets are subsequently measured at amortized cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial Assets at Fair Value Through Other Comprehensive Income (FVTOCI)

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset gives rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial Assets at Fair Value Through Profit and Loss (FVTPL)

Financial assets are measured at fair value through profit and loss unless it is measured at amortized cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit and loss are immediately recognized in statement of profit and loss.

B) Financial Liabilities and Equity

Financial Liabilities at Amortized Cost

Financial liabilities are measured at amortized cost using effective interest method.

Equity Instruments

An equity instrument is contract that evidences residual interest in the assets of the company after deducting all of its liabilities. Equity instruments recognised by the Company are recognised at the proceeds received net off direct issue cost.

2.11 Earnings Per Share (EPS)

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post-tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the period.

Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post-tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits / reverse share splits and bonus shares, as appropriate.

21 Financial Instruments

A) Capital Management

The Company's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. The Company monitors the return on capital. The Company's objective when managing capital is to maintain an optimal structure so as to maximize shareholder value.

Particulars	Amount in ₹ Lakhs	
	As at	
	31-Mar-24	31-Mar-23
Total equity attributable to the equity shareholders of the company	281.37	290.29
As a percentage of total capital	94%	100%
Current borrowings	-	-
Non-Current Borrowings	18.05	-
Total borrowings	18.05	-
As a percentage of total capital	6%	0%
Total Capital	299.42	290.29

The Company is predominantly equity financed which is evident from the capital structure table.

B) Categories of Financial Instruments

The carrying amounts and fair values of the financial instruments by class are as follows:

Particulars	Carrying amount		Fair value	
	As at	As at	As at	As at
	March 31, 2024	March 31, 2023	March 31, 2024	March 31, 2023
Financial Assets				
a) Measured at Amortised Cost				
Non-Current Assets				
- Other Financial Assets	10.00	10.00	10.00	10.00
Current Assets				
- Cash and Cash Equivalents	4.37	3.11	4.37	3.11
Total	14.37	13.11	14.37	13.11

Notes forming part of the Standalone Financial Statements

Financial Liabilities				
a) Measured at Amortised Cost				
Non-Current Liabilities				
- Borrowings	18.05	7.74	18.05	7.74
- Other Financial Liabilities	0.20	0.20	0.20	0.20
Total	18.25	7.94	18.25	7.94

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. The following methods and assumptions were used to estimate the fair values:

1. The Company has disclosed financial instruments such as comprise of cash and cash equivalents at carrying value because their carrying are a reasonable approximation of the fair values due to their short term nature.
2. Financial instruments with fixed interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counter party. Based on this evaluation, allowances are taken to the account for the expected losses of these receivables.

C) Financial Risk Management

The Company's principal financial liabilities, comprise of borrowings and other financial liabilities.

The Company's principal financial assets include cash and cash equivalents and other financial assets that are derived directly from its operations.

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company is exposed to market risk, credit risk and liquidity risk.

The Company's senior management oversees the management of these risks. The senior professionals working to manage the financial risks and the appropriate financial risk governance framework for the Company are accountable to the Board of Directors.

This process provides assurance to Company's senior management that the Company's financial risk-taking activities are governed by appropriate policies and procedures and that financial risk are identified, measured and managed in accordance with Company policies and Company risk objective.

The management reviews and agrees policies for managing each of these risks which are summarized as below:

(a) Market Risk:

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprises three types of risk: currency rate risk, interest rate risk and other price risks, such as equity price risk. The sensitivity analyses in the following sections relate to the position as at March 31, 2024. The analyses exclude the impact of movements in market variables on; the non-financial assets and liabilities. The sensitivity of the relevant Profit and Loss item is the effect of the assumed changes in the respective market risks. This is based on the financial assets and financial liabilities held as of March 31, 2024.

Notes forming part of the Standalone Financial Statements

ii) Interest Rate Risk

Interest rate is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market interest rates. However the Company's financial liabilities are not exposed to risk of fluctuation in market interest rates and do not change for any market fluctuation.

Interest rate risk management

Interest rate risk arises from borrowings. Debt issued at variable rates exposes the company to cash flow risk. Debt issued at fixed rate exposes the company to fair value risk.

At the reporting date the interest rate profile of the Company's interest-bearing financial instruments is as follows:

Particulars	Amount in ₹ Lakhs	
	As at 31 March, 2024	As at 31 March, 2023
Fixed-rate instruments		
<i>Financial assets</i>		
Balance with banks held in deposit account	1.75	1.30
<i>Financial liabilities</i>		
- Borrowings	18.05	7.74

Interest rate sensitivity analysis

The Company does not have financial instrument affected by interest rate changes.

(b) Credit Risk :

Credit Risk is the risk that the counter party will not meet its obligation under a financial instrument, leading to a financial loss. The Company is exposed to credit risk from its operating activities .

i) Receivables

Customer credit risk is managed by each business unit subject to the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on an extensive credit rating review and individual credit limits are defined in accordance with this assessment. The Company regularly monitors its outstanding customer receivables.

An impairment analysis is performed at each reporting date on receivables by lifetime expected credit loss method based on provision matrix. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets. The Company does not hold collateral as security. The Company evaluates the concentration of risk with respect to receivables as low, as its customers are located in several jurisdictions and industries and operate in largely independent markets.

ii) Financial instruments and cash & bank deposits

Credit risk from balances with banks and financial institutions is managed by the Company's finance department in accordance with the Company's policy. Investments of surplus funds are made in bank deposits. The limits are set to minimize the concentration of risks and therefore mitigate financial loss through counter party's potential failure to make payments.

Notes forming part of the Standalone Financial Statements

The Company's maximum exposure to credit risk for the components of the balance sheet at March 31, 2024 is the carrying amounts which are given below. Receivables and other financial assets are written off when there is no reasonable expectation of recovery, such as debtor failing to engage in the repayment plan with the company.

Particulars	Amount in ₹ Lakhs	
	As at March 31, 2024	As at March 31, 2023
Non-Current Assets		
- Other Financial Assets	10.00	10.00
Current Assets		
- Cash and Cash Equivalents	4.37	3.11
Total	14.37	13.11

Balances with banks is subject to low credit risks due to good credit ratings assigned to these banks.

(c) Liquidity risk

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at reasonable price. The Company's objective is to at all times maintain optimum levels of liquidity to meet its cash and liquidity requirements. The Company closely monitors its liquidity position and deploys a robust cash management system. It maintains adequate source of financing through the use of short term bank deposits and short term investments. Processes and policies related to such risks are overseen by senior management. Management monitors the Company's liquidity position through rolling forecasts on the basis of expected cash flows.
